CONDITIONS OF SALE.

This is a bona-fide public sale, for prompt cash settlement, and irresponsible persons who are not sure whether they can pay for what they bid on, are asked not to bid. The cataloguer has taken special pains to describe each lot accurately. Errors will be corrected, but he reserves the sole right to decide upon any claims. These are only conditions under which bids will be received.

Coins and medals are sold at so much per **PIECE**, and no lot will be separated. The auctioneer will accept any bid up to 50c., then 5c up to \$2.50, when 10c. advance must be bid, up to \$10.00, when no advance under 25 cents will be accepted. If there are 5 pieces in the lot and you wish to pay \$5.00 for the entire lot, then bid \$1.00.

for the first time, must give bank or other reliable reference, or their bids

Auction sales are strictly for cash. Parties unknown to me and bidding will not be executed.

Forward your bids as early as possible, as thousands of bids have to be entered. Do not make ridiculously low bids, such as 10c. and 15c. on foreign silver coins worth several times over as bullion. Write your bids plainly, with a pen if practicable.

Where the number of pieces in a lot is not given after the description, there is but one piece in the lot.

Be sure you bid on the lot you wish to buy.

All coins, etc., are genuine unless otherwise described.

My charge for executing bids will be 5 per cent. No charge made for bidding except for lots actually purchased. Remit by money order or New York draft.

Priced catalogue of this sale sent for \$1.00 cash in advance.

If any further information is required as to valuation of lots, or how to bid, please write the cataloguer. THOMAS L. ELDER.

The Sale of November Twentieth.

This fine and varied lot of Coins, Medals and Paper Money cannot fail to attract many bidders. The cents alone would make a respectable sale. The MacGrath Collection of Cents, listed herein, contains about 150 lots, with hardly a single duplicate variety, and including nearly a hundred cents in either uncirculated or proof condition. The New York Coin Collection formed in 1872, includes some very choice examples of foreign single and double crowns, as well as choice Washington and Lincoln medals, with some rarities that I have not listed before. Of Ancient Silver and Bronze Coins several hundred lots are offered, with a few fine Roman bronzes. The Canadian selection includes many Breton numbers which I have never had before in my sales. Be sure to favor me with bids for this sale, if only a few.

Don't forget that I have a very large mailing list of up-to-date collectors who are constantly on the look-out for pieces for their cabinets. Some of your duplicates may be the very things they are lacking, and are willing to pay good prices for. So if possible send me a selection of coins, etc. to offer for you at public sale. Those who have favored me with collections in the past have been well satisfied with results, and were pleased at the unusual promptness with which they were catalogued and sold.

Priced Catalogues of this sale \$1.00 each.
